- Actions to stop doing:
 - N/A
- Actions to start doing:
 - Notify the rest of the group when they are encountering things that prevent them from making progress
- Actions to keep doing:
 - Asking questions. None of the group mates are afraid to ask questions when they're confused, and we're all happy to help
 - Communicating clearly what we are doing
 - Scheduling more group work sessions because it is very effective in getting everyone to work together, and makes it a lot easier to ask questions
- Work completed:
 - Setting up web pages and Android activities to handle Client and Trainer registration. Trainers can assign workouts and appointments, and clients can view these items in the Android app.
- Work completion rate:
 - Total number of user stories completed during the prior sprint: 3
 - Total number of estimated ideal work hours completed during the prior sprint: 30
 - Total number of days during the prior sprint: 14
